

# Green Bay Pointing Dog Club

## March Newsletter

Hi Everyone,

Let's hope that winter is almost behind us. I have enough snow for this season.

**There will be a club meeting at Legends in DePere on Tuesday, March 22, 2011 at 7:00 PM.**

We will be discussing the upcoming April 10<sup>th</sup> trial. Dan Ritter is our trial chairperson. The trial will be held at 2 C's Game Farm (hopefully) again this spring because there is no cover in Scarbaro. Dan will need volunteers to help run this trial; it takes more than one or two people to make this successful. We will be needing 4-wheelers; it's expensive if we have to rent them. We will also need some help with bird planting. To make this trial successful we will also need entries. The entry will be \$35.00 for all stakes. The cost of quail is up to \$4.00.

The banquet was a success and everyone who came had a great time. We had more than 75 reservations called in but only use the 75 and 69 ended up coming therefore the club ended up paying for 6 dinners. The cost was supposed to be \$14.00 per person they ended up charging \$17.00 so needless to say we did not come out even.

There are a few other club decisions that need to be discussed and we need people there to discuss these with. The more opinions we have the better the club will be. If you dues aren't paid this will be your last newsletter.

Attached to this newsletter will be the entry for this trial. Please enter as soon as you make plans it is on a first come basis.

**HOPE TO SEE YOU AT THE MEETING THURSDAY, MARCH 22, 2011 at 7:00 pm at LEGENDS.** I know we are all busy but try to make it one night in your busy schedule.

Dan and Cookie
